PE in Spring Term 1

All our Floreat Children have been learning about Gymnastics. Throughout the term, our KS1 children have learnt about forward, backwards, egg and log rolls. Alongside this, the children have been learning how to jump and land safely, whilst also creating different shapes such as star, pencil and tuck shapes. The children had the opportunity to use the balance beams to learn about Balancing. Our KS2 children have 4 have been learning about rolls, cartwheels and advanced balances and how we can combine these to create routines. They also learnt about the safety of the balance beam, springboard and vault. The older children also had to the opportunity to learn about and perform handstands, rolls, round-offs, bridges whilst applying this knowledge when performing on the vault and balance beam. Below is a selection of some photos from gymnastics this term.
