# YEAR 3 KIDZANIA TRIP!

Year 3 had the best day at Kidzania! Many of the children became pilots, news reporters and doctors. The city made for kids taught them how to be a responsible citizen and many children showed off Floreat's Character virtues that we have been learning about this term, such as teamwork and perseverance. Amazingly, they also had the opportunity to earn money and spend 'KidZos' whilst in the city. Everyone thoroughly enjoyed the day!

# YEAR 6 RESIDENTIAL TRIP TO MARCHANTS HILL!

# FOFW SUMMER SOCIAL!

## HEAD PUPIL DUTIES

The head pupils met in the garden to discuss important plans for the future including ideas for assemblies and the playground. They also thought about how we could save energy and water in school. They came up with some fantastic ideas - well done everyone!

# YEAR 4 BOLLYWOOD DANCE WORKSHOP

For dance this term, our topic was Bollywood. Our workshop included learning simple steps such as the crocodile and lightbulb. We eventually built up to a group performance! Here are a few quotes from the participants...

"At the start I didn't know anything about it but in the end that I'd like to do this again."

"The clothing designs were very nice and we moved like animals."

"I really liked the unique dance moves and my favourite move was making the snake with our hands then we jumped. "

"It was really fun and sophisticated and my favourite move was the lightbulb!"

A few weeks ago, there was an exciting delivery to early years ... eggs! The children's imagination went wild with curiosity about what was inside the eggs. After a week the eggs hatched to the children's delight it was baby chicks. The children spent quality time observing the chicks and holding them. It was a great opportunity for the children to experience the life cycle of a chick.
