

Family Learning

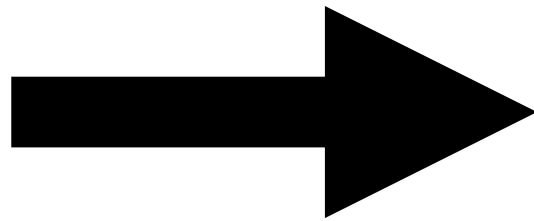

Talk for Writing

What is it ?

Talk 4 Writing is the developmental exploration, through talk, of the thinking and creative processes involved in being a writer.

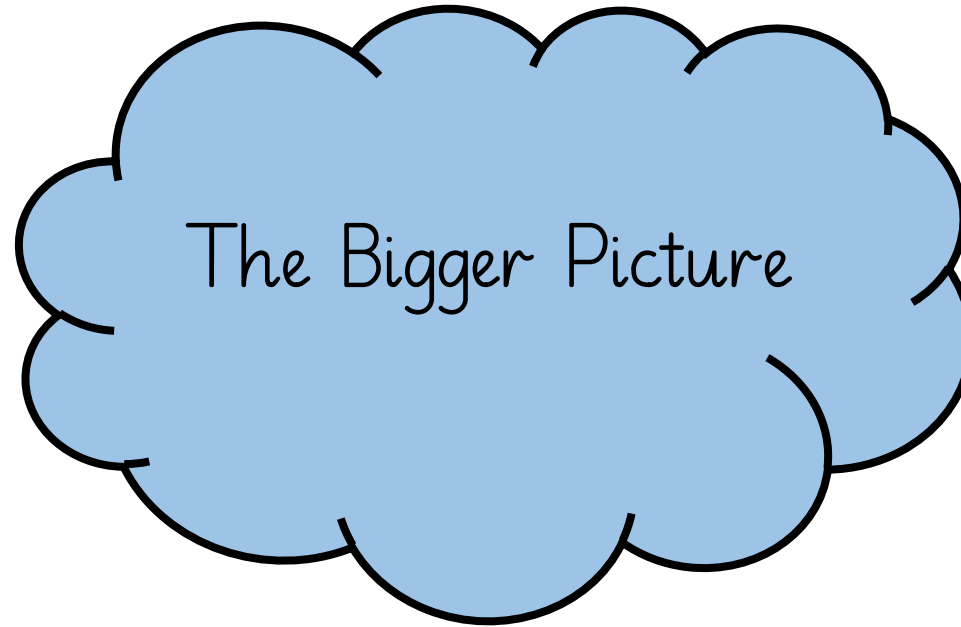

<https://www.youtube.com/watch?v=Ej-UHjxmHC8>

Encourages and supports
role play and drama
activities

Brings stories to life
and makes them more
fun

Builds up confidence

Supports speech, rhythm
of speech and sentence
structure

Achieves expression and
enthusiasm

Develop memory,
concentration and
co-operation

Develops language and
vocabulary

Develops ideas for
writing

Gives children that
cannot yet read access
to read, tell and retell a
story

The Three Stages

Imitation- start off with fun activities to engage the children in a story. We then introduce the story map, actions and key words.

Innovation- once the children have learnt the key construction of the text we can then have a go at changing parts of the story becoming 'authors'.

Imagination- over the foundation years the children will have learnt a bank of stories and story structures. By the end of reception we want them to feel confident in the different types of story and have a go at writing their own.

Provides a bank of stories :

Language Patterns

Genres

Plots

Settings

Story Structures

Ideas

Characters

Sentence Structures

Vocabulary

Time to watch...

-Three Little Pigs

Drama:

How did the pigs feel when the wolf arrived?

How did the wolf feel when he couldn't blow down the house?

How did the pigs feel when the wolf left?

T4W Activities

Making playdough characters

Story sequencing

Making stick puppets to retell a story
